

Medtronic Offers Kindbody As Your Fertility and Family-Building Benefit

With your Kindbody benefit,* you'll receive coverage of up to three (3) fertility cycles (aka KindCycles), including services like egg freezing, embryo freezing, or IVF, as well as fertility medication. Your Kindbody benefit includes a dedicated care navigation team, available to guide you through your journey and give you peace of mind, every step of the way.

**Employees, spouses/domestic partners, and adult children enrolled in Medtronic's medical plan with BCBS, Surest, or HealthPartners are eligible.*

Your Kindbody Benefit Includes

- Up to a lifetime maximum benefit of three (3) fertility cycles (aka KindCycles), such as egg freezing, embryo freezing, or IVF. Subject to cost-share, co-pay, and deductible under your medical plan.
- One embryo can be implanted per cycle.
- Fertility medication, labs, and related expenses included in cycle coverage. Fertility medications must go through KindbodyRx, dispensed by Schraft's Pharmacy.
- A dedicated care navigation team.
- A personalized patient portal with 24/7 virtual care and appointment scheduling.
- Live and virtual events.
- The fertility benefit is managed and administered under Kindbody for the BCBS, Surest, and HealthPartners medical plans.

Providers

Kindbody offers fertility services at their own Kindbody clinics, as well as a broad network of partner clinics. You can choose from any Kindbody clinic or partner clinic for your fertility treatment. Regardless of which in-network provider you visit, your Kindbody care navigation team will manage your care and benefits.
