

Kindbody Live: Virtual Event

Breaking the Silence: Hope, Healing, and Family-Building

October is Breast Cancer Awareness Month—a time to honor every step of the journey, from diagnosis to recovery. In this expert-led session, Dr. Sasan will create a dedicated space to break the silence around these personal experiences and share essential guidance. Join us to gain hope, healing, and actionable insights to empower your family-building choices.

When

Thursday
October 8, 2026
3:00 PM ET

Hosted by

Early detection saves lives

Staying informed is one of the best ways to take charge of your health. Review the American Cancer Society’s guidelines to learn when to schedule your mammogram.

Maximize Your Benefits

You may have already met more of your deductible than you realize. Kindbody can help you explore covered fertility and family-building care before your benefits reset.

Meet Dr. Fahimeh Sasan

Dr. Sasan is a board-certified OB/GYN and fertility expert dedicated to advancing reproductive healthcare through personalized care and innovative solutions.

KindStories: Nicolette

“I was able to get in with the doctor within a few weeks, and as soon as I mentioned I was a cancer patient about to undergo treatment, she made me feel like the top priority and that she would do anything to help me.”
